

Hedger Fund **Affiliate program**

Remuneration model for capital raising and development
investment community

PARTNERSHIP PROGRAM IN THE HEDGER STRUCTURE

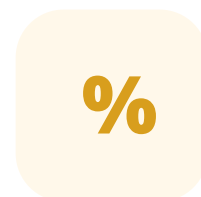

Attraction tool

The affiliate program is one of instruments for attracting capital to the Fund.

Role of partners

Some investors come through partners who introduce them to the Hedger investment model and conditions for capital placement.

Revenue Model

Partners receive a percentage of the investment income of the investors they invited.

CONDITIONS OF PARTICIPATION

Participation in the affiliate program is available only to existing investors of the Fund.

MINIMUM CONTRIBUTION

The affiliate program is activated when availability of personal contribution **from 100 USD.**

SYSTEM ACCESS

After this condition is met, the partner gains access to accruals and system qualifications.

REMUNERATION STRUCTURE

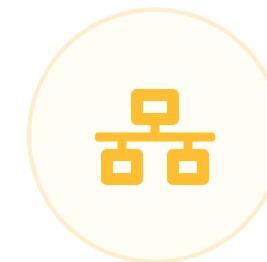

Hedger's affiliate model is built on three key components.

20% of the income of personally invited people

Accrued from the investment actually received income for first-line investors.

01

Additional percentage of team income

The percentage is determined by the partner's qualification level and ranges from 2% to 16%.

02

One-time bonus for opening a qualification

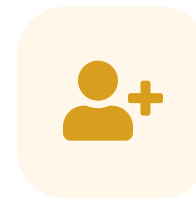

Fixed payment with gradual unlocking within 30 days.

03

INCOME FROM PERSONALLY INVITED INVESTORS

20%

FROM THE INVESTOR'S INCOME

Reward

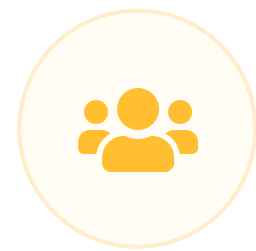

The partner receives **20% of investment income** each investor he invited.

Accrual conditions

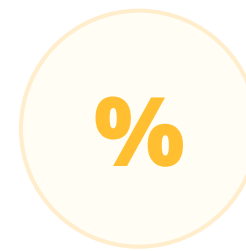

Reward is directly related to results investment program and becomes available after accrual of income to the investor.

INCOME FROM A TEAM

Team income

The partner receives an additional percentage of investment income of your team members.

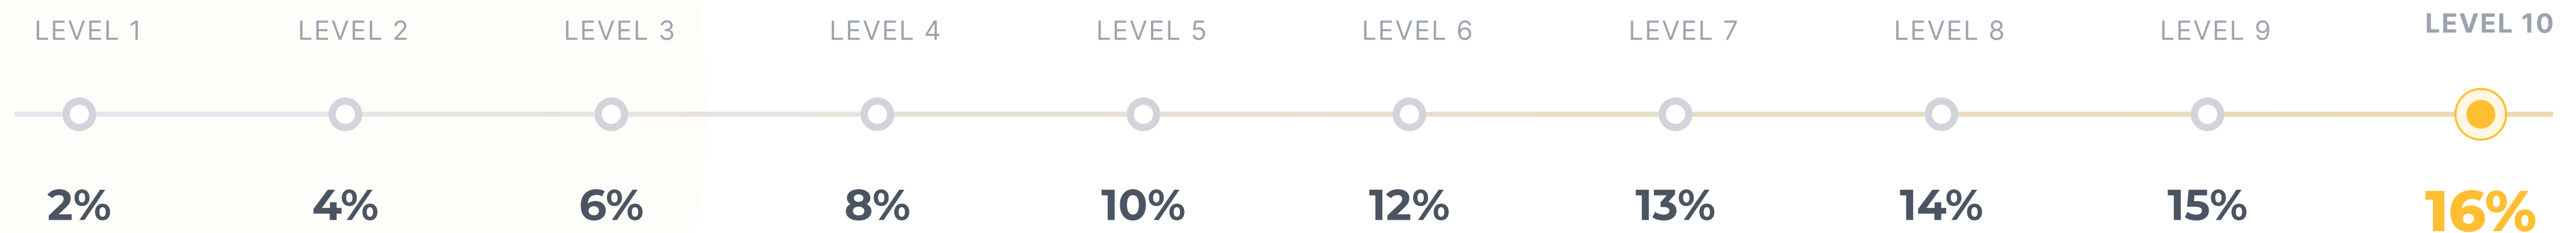

Rates range

The amount of remuneration depends on qualifications and ranges **from 2% to 16%**.

Increased qualifications

As the level of qualification increases, the percentage of the team's turnover.

HOW QUALIFICATIONS OPEN

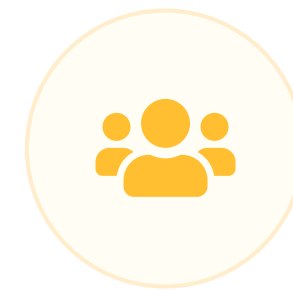

The Hedger affiliate program includes **10 levels**.

The transition to a new level is determined by three key indicators:

PERSONAL CONTRIBUTION

The size of your own active contribution partner on the platform.

ACTIVE PARTNERS

Number of participants in the structure with personal contribution from 100 USD.

AMOUNT OF TEAM CONTRIBUTIONS

The total volume of active deposits of all members of the structure.

Specific indicators for each level are presented on the next slide.

QUALIFICATION LEVELS

Indicators for moving to the next level

- ✔ **20%** of the income of personally invited investors is retained at all skill levels.

LEVEL	% FROM TEAM	PERSONAL CONTRIBUTION (USD)	ACTIVE PARTNERS	AMOUNT OF TEAM CONTRIBUTIONS (USD)
0	–	–	–	–
1	2%	100	–	–
2	4%	250	8	10 000
3	6%	500	15	20 000
4	8%	1 000	30	40 000
5	10%	2 500	60	100 000
6	12%	5 000	100	200 000
7	13%	10 000	150	500 000
8	14%	20 000	300	1 250 000
9	15%	35 000	500	3 500 000
10	16%	50 000	1 000	10 000 000

i *Partners with a personal contribution of 100 USD or more are considered active

ONE-TIME BONUS FOR **ACHIEVING** QUALIFICATION

When a partner reaches a new level for the first time a **fixed bonus** is awarded, the amount of which corresponds to open qualification.

The accrued amount is **evenly distributed over 30 days** and becomes available for withdrawal daily.

LEVEL	BONUS (USD)
1	-
2	450
3	900
4	1 800
5	4 500
6	9 000
7	22 500
8	60 000
9	180 000
10	525 000

MECHANICS OF TEAM INCOME DISTRIBUTION

The accrual of command interest is determined partner's qualification level.

If a member in your structure reaches the level **equal to or greater** than your percentage of income his commands begin to be awarded to him in accordance with his qualifications.

In this case, receiving team income under this structure is suspended for you.

- ✓ The reward from his **personal contribution** remains the same.
- ↑ To receive team income under this structure a **higher level of qualification** is required.

PARTNERSHIP STRUCTURE MANAGEMENT

All partner activity and settlements are carried out internally platforms with a transparent system for recording qualifications, structure and accruals.

Key indicators

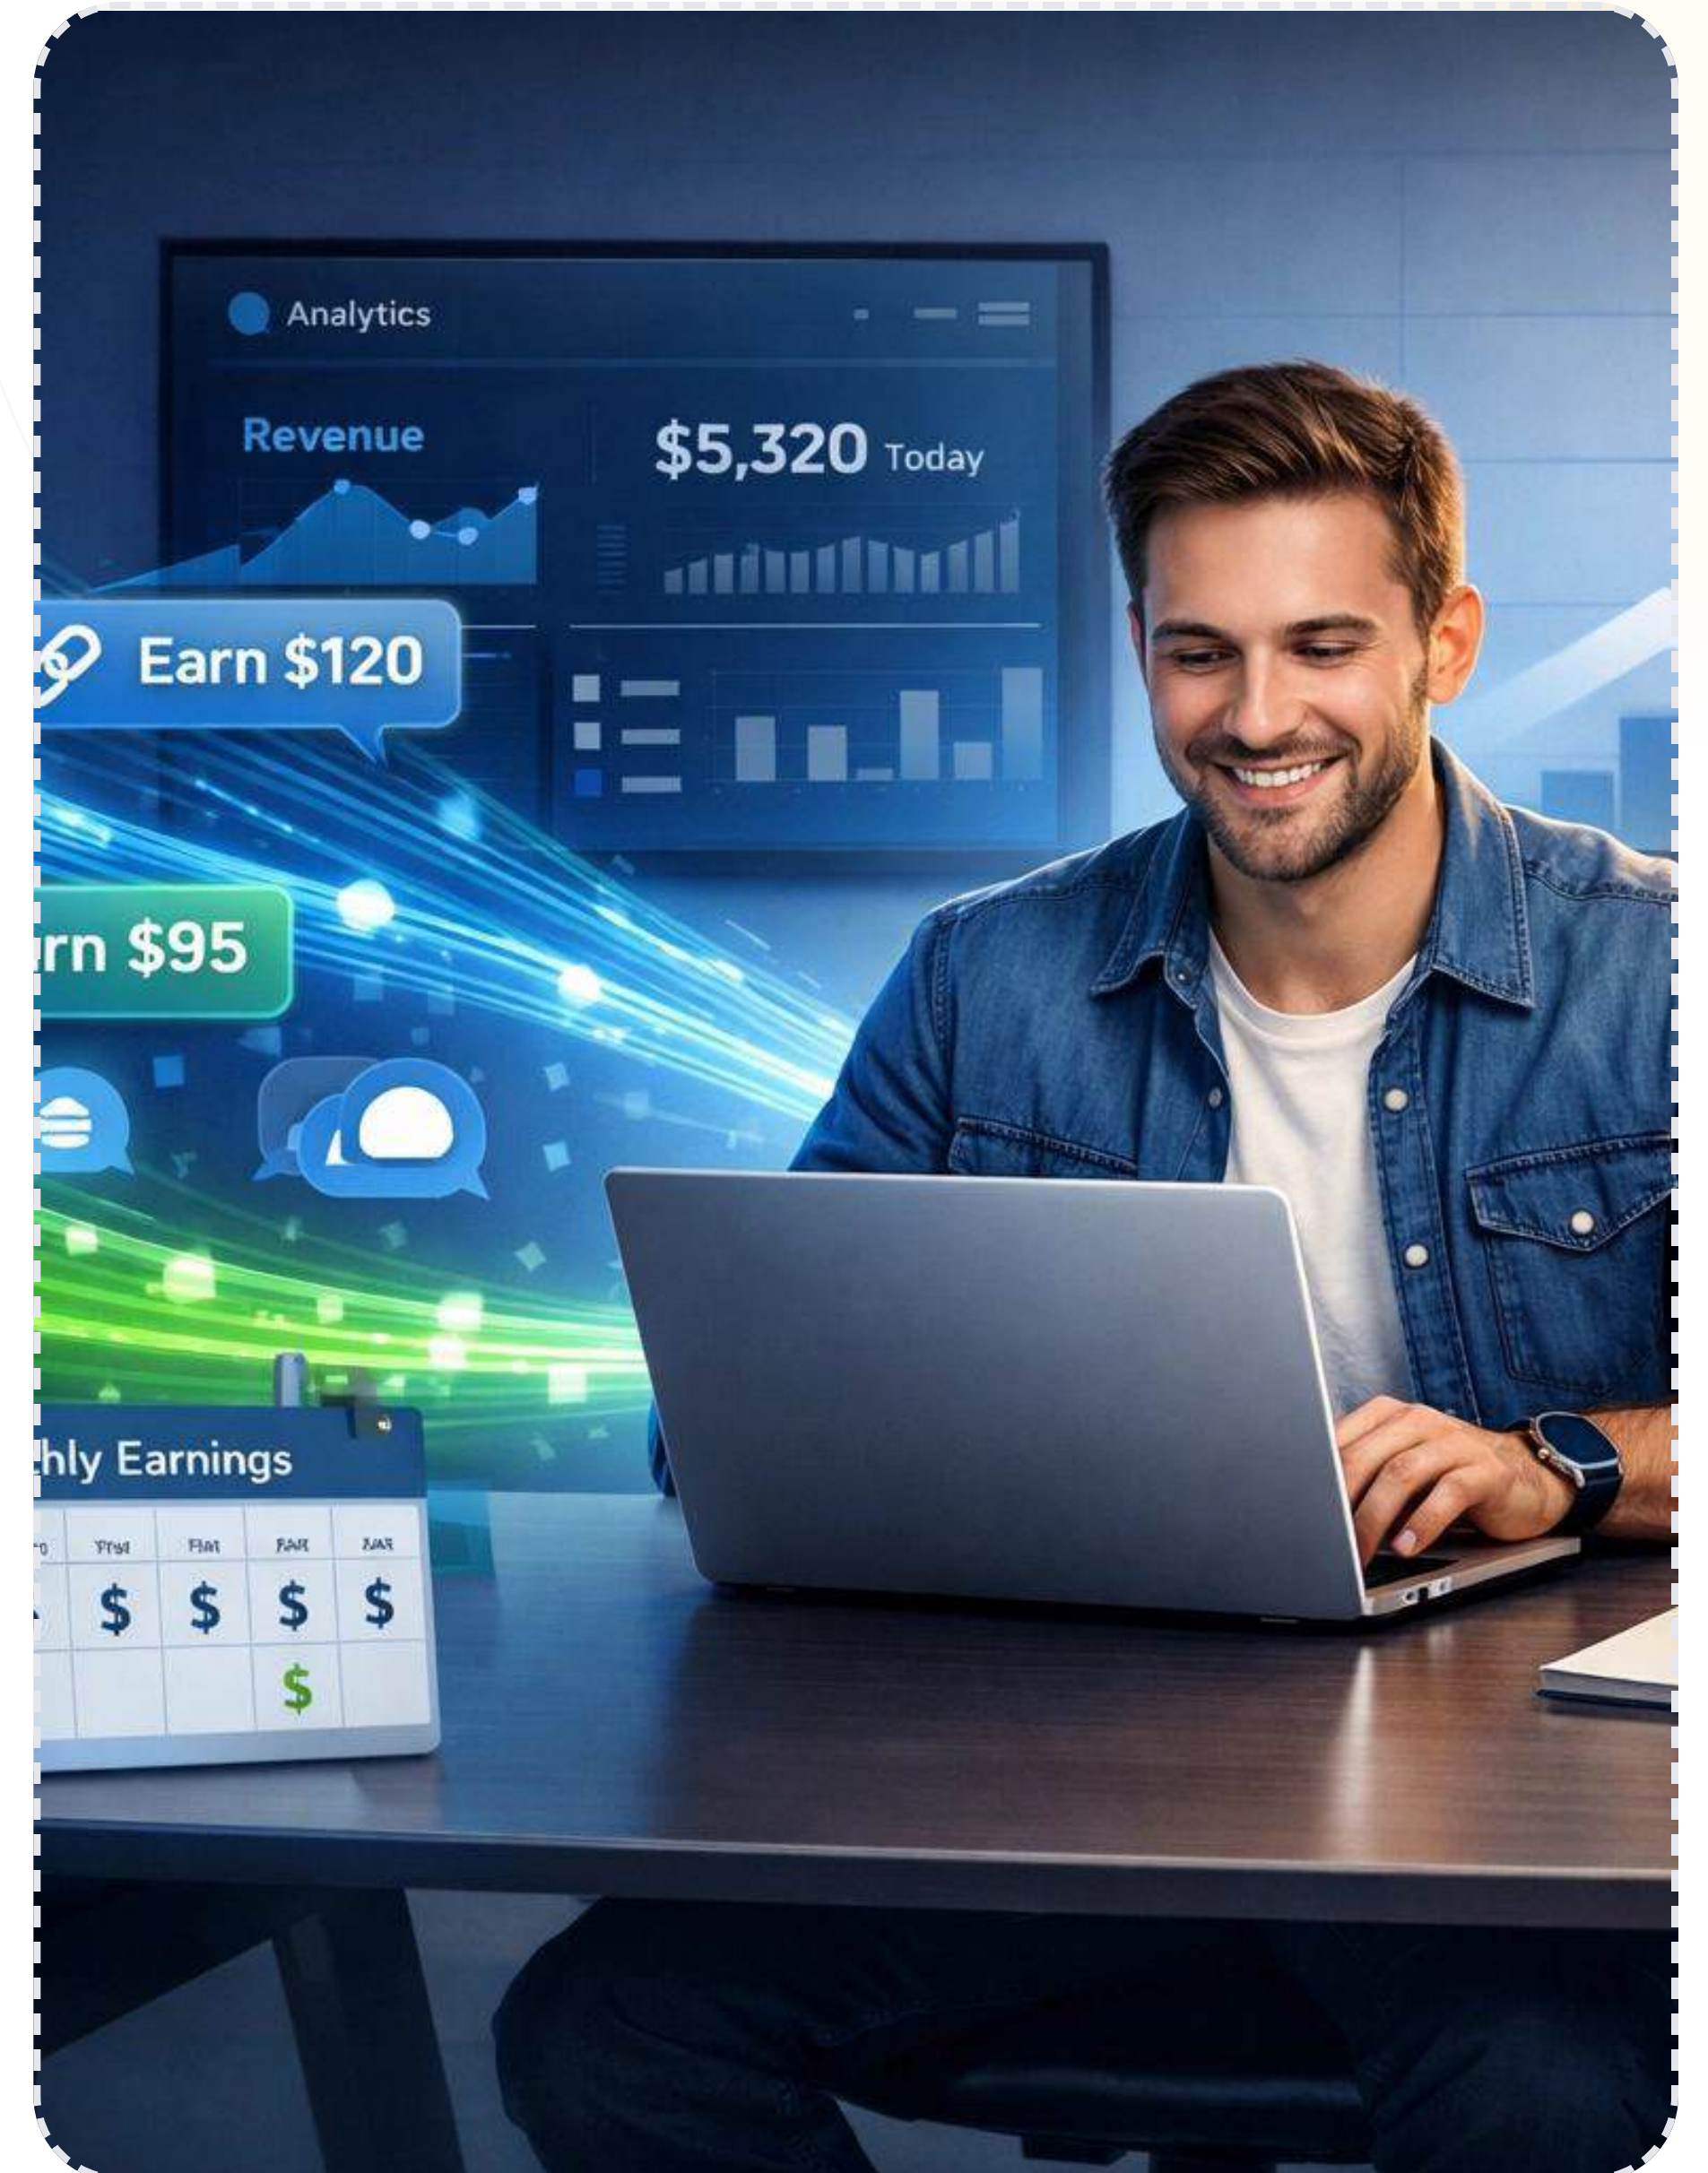

The interface displays key indicators of the team, the volume of active deposits and current affiliate income with a history of operations.

Real time mode

Data is updated in real time, providing full control over the development of the structure.
